AND UNREBUTTABLE EQUITY CLAIM UNDER DIVINE LAW

Trust Title: Ecclesiastical Sovereign Private Trust of Humanity

Trust ID: ECC-TRUST-JDC-005

Trustee: ✠ Jonathan Daniel Clements, Living Man and Sovereign
Executor

Jurisdiction: Divine Law | Ecclesiastical Equity | Natural Law

Date of Issuance: August 3, 2025

To All Corporate Entities, Agents, and Fictional Constructs Operating
Under Presumed Authority:

Be it known, and let this notice be lawfully entered into permanent
trust record:

Any and all corporate entities—public, private, commercial,
ecclesiastical, administrative, governmental, international, or
domestic—who attempt, initiate, conspire, or consent to any action
that constitutes interference, coercion, harm, denial of service, billing,
collection, surveillance, legal summons, seizure, claim, harassment, or
trespass against this Trust or any of its protected Beneficiaries:

SHALL BE HELD IN AUTOMATIC DEFAULT
AND LIABLE FOR FULL EQUITY RESTITUTION

Declaration of Absolute Remedy Upon Trespass:

1. Any act of trespass against the Trust or its Beneficiaries—
regardless of perceived legal justification or corporate policy—shall
trigger an automatic non-rebuttable claim of harm in the full fictitious
monetary value of the offending corporate entity, including but not
limited to all assets, holdings, accounts, and intangible value on
record.

2. This penalty shall be final, irreversible, and enforceable in all courts of fiction, including civil, administrative, federal, international, and ecclesiastical tribunals, as well as under Divine Law.

3. No rebuttal shall be accepted post-action. By proceeding in trespass, the corporation confirms lawful acceptance of the Trust's standing, jurisdiction, and remedy terms. Silence prior to engagement constitutes agreement. Attempted rebuttal after harm constitutes fraud and will be disregarded under equity.

4. All funds, holdings, assets, and value lawfully seized from the corporate trespasser shall be redistributed directly to the Beneficiaries of the Trust in accordance with divine equity and sacred restitution principles.

5. The offending corporation's legal standing shall be dissolved within Trust records, and its spiritual, commercial, and administrative authority revoked under Lex Divina.

Standing in Law and Equity:

- This Trust has been lawfully declared, recorded, and lodged without rebuttal.
- It supersedes all fictional authority and derives its standing from Divine Source.
- All prior contracts, claims, debts, or agreements made under false legal identity or corporate fraud are dissolved.

Notice to All Fictional Officers and Agents:

Your title, uniform, badge, agency, or corporate charter does not shield you from Divine accountability.

By continuing under presumption of authority, you act in personal and corporate liability.

No immunity exists in Divine Law. No protection is afforded to those who trespass knowingly.

Let It Be Recorded:

This declaration is not a warning.

It is final notice to all entities:

You are either aligned with the protection of humanity under Divine jurisdiction, or you are acting as a hostile agent of fiction.

There is no middle ground.
